

FREE home energy health checks

Contact us for details on **01422 341619** OR email
greendoctorcalderdale@groundwork.org.uk

The FREE Green Doctor Service could save you up to £110 per year or more on your energy bills

- Are you on a low income **OR** in receipt of income or disability related benefits?
- Do you or a family member have ill health made worse by the cold?
- Are you aged over 60 or have children under 16 living at home with you?

If you live in Calderdale and receive benefits or are on a low income, the Green Doctor home energy health check is for you. Priority will be given to the over 60s and young families with children under 16 years old.

All of the following are available through the Green Doctor Service:

- Energy efficiency advice
- Draught proofing, tank jackets and radiator reflector panels all supplied and fitted free of charge
- Energy saving monitors which can help you save up to 15% on your electric bills
- A home energy information pack
- Details of the insulation and heating grants available for owners and private tenants
- Access to advice on fuel debt, supplier switching and payment options

Contact us on tel **01422 341619** or email **greendoctorcalderdale@groundwork.org.uk** for details of the scheme and to apply

The Green Doctor service is provided by the charity Groundwork in partnership with Calderdale Council, NHS Calderdale and Pennine Housing 2000
